

CONSTRUCTION UPDATE

September 1, 2015

Wattles Road Mill & Asphalt Overlay, Coolidge to Rochester

Wattles Road Mill & Overlay - Quick Information

- ◆ **Schedule:** Work on Wattles Road between Coolidge and Rochester is underway. To provide motorists and construction workers safe travel through the construction zone, the following traffic detour will be implemented for the remainder of this phase of the project:

Eastbound Wattles between Crooks and Livernois will close beginning Thursday, September 3rd (see posted detour route below). Westbound Wattles will remain open.

Wattles between Crooks and Livernois is expected to be fully open by September 30th, 2015.
