

We can't wait to see how fast you are!

NOTE: We have pushed the race time back to 1:30pm to accommodate all Traffic Jam events. Racers should be back at the pits by 1pm to get prepared.

When you arrive at the Columbia Center, please leave your pedal car at the Drop Off Zone (circled on the map) while you park your car. A volunteer will be available to assist in moving the pedal car to the pit area. You will then make your way to the Pedal Car Pits and Check-In table (marked with a purple P on the map). Get your racer checked-in, pick up their t-shirt and ice cream coupon, and review the race with our volunteers.

A map of the racetrack will be available at check-in and there will be a little bit of space to practice with your pedal car (please remember it is a very busy space!). If you have questions before Sunday, please call the Troy Historic Village at 248-524-3570

Remember, when you signed up you agreed to:

- Check in by NOON on Sunday, August 6th.
- That a parent, grandparent, or guardian will be present at the race, and at all times.
- Your racer will bring and wear a bike helmet for their safety.
- Your racer will wear CLOSED TOE SHOES and clothing that is not too loose.
- Your racer can get into and pedal their car without assistance.
- Photos and/or video will be taken of the event and racers.

After the race awards will be handed out at the DJ tent. Please pick up your Pedal Car from the pit area by 2:30pm.
